

EXT. SHANGHAI, CHINA GRASSLAND - DAY

3 viscious-looking crazy bulls are knocking down a drugstore.  
The pharmacist runs out.

PHARMACIST

Comsi!

BUSHWHACKER, a cowboy, comes racing onto the scene on his  
trusty baboon and whips out his cell phone:

BUSHWHACKER

Come quick, Dusty!

DUSTY, another cowboy, shoots onto the scene in his rocket-  
powered shopping cart and crashes into the building!

DUSTY

Comsi! I'm OK.

BUSHWHACKER rides his baboon towards the bulls and the baboon  
bites one of the bull's heads off! Dusty's rocket-powered  
shopping cart shoots at bull #2 and knocks it out. The third  
bulls runs away.

BUSHWHACKER

Dusty, I think we need a vacation.

DUSTY

Where should we go?

BUSHWHACKER

I hear Greenland has great weather  
and lots of open land!

DUSTY

I can race my shopping cart around!

BUSHWHACKER

And I can race my baboon  
professionally!

DUSTY

Let's go!

DUSTY and BUSHWHACKER get on a plane and fly to Greenland.

But when they get to Greenland, they are not able to relax.  
As soon as the plane touches down in Greenland they are  
confronted by the JOLLY GREEN GIANT!

JOLLY GREEN GIANT

What are you doing in my country?

DUSTY  
I came to race my shopping cart.

BUSHWHACKER  
I came to have a relaxing vacation.

JOLLY GREEN GIANT  
I'm going to eat you! I'm going to  
eat both of you!

BUSHWHACKER  
No you're not!

BUSHWHACKER rides his baboon straight towards the giant and  
his baboon bites the giant's arm off and green peas start  
rolling out. The giant runs away.

JOLLY GREEN GIANT  
Ahhhhhhhh!!!! You bit my arm off!!!  
I'm bleeding peas!!!

The giant runs back to his cave.

DUSTY  
Bushwhacker, let's go see a movie!  
I hear "SPIDERMAN 3" is playing!

BUSHWHACKER  
I want to see "PIRATES OF THE  
CARIBBEAN"!

DUSTY  
Let's play "Rock, Paper, Scissors"  
to see who gets to pick.

BUSHWHACKER  
OK - rock, paper, scissors, shoot!

DUSTY puts out a paper and BUSHWHACKER puts out scissors.

BUSHWHACKER  
I win! We're going to see "PIRATES  
OF THE CARIBBEAN" Let's hurry, it  
starts in 10 minutes!

INT. VEGAS CASINO - NIGHT

GHOSTRIDER and TRAILBLAZER are playing blackjack and drinking  
champagne.

GHOSTRIDER  
Hit me!

The dealer hits GHOSTRIDER.

GHOSTRIDER

21! Nice!

All of a sudden, the TV catches their attention. They see on the evening news that a huge bull has invaded Las Vegas!

TRAILBLAZER

C'mon Ghost rider! We have to get  
rid of this bull! We have to save  
the people outside!

GHOSTRIDER

Let's go!

GHOSTRIDER jumps on his ride: a super-fast vacuum cleaner.  
TRAILBLAZER goes outside on revs up the engine of his rocket-powered wheelchair.

EXT. LAS VEGAS STRIP - NIGHT

There are 5 bulls knocking over all the cars, casinos, buildings, and even the people!

GHOSTRIDER rides over one of the bulls with his vacuum cleaner.

GHOSTRIDER

Nice! Just knocked one out!

TRAILBLAZER

Get a load of this!

TRAILBLAZER takes off his yarmulke and throws it at one of the bulls' heads. The bulls is knocked out cold.

Then TRAILBLAZER whips out his grogger from it's holster (from the Jewish holiday called "Purim") and it starts shooting darts everywhere. He knocks out 2 more bulls with the darts.

The yarmulke returns safely and lands on TRAILBLAZER's head like a boomerang. He puts his cowboy hat back on top of it. The he blows the smoke off his grogger and holsters it - like Clint Eastwood!

GHOSTRIDER pulls out his cell phone. And he dials his 2 friends: DUSTY and BUSHWHACKER.

GHOSTRIDER

Dusty! Bushwhacker! I need your help. Bulls just invaded Las Vegas. We knocked out 4 of them - but the biggest one is still alive! It's HUGE! And it's headed for the Bellagio!

DUSTY (O.S.)

I'll be there in a shofar blow!

Then DUSTY blows his shofar.

Before GHOSTRIDER blinks, DUSTY has arrived on his rocket-powered shopping cart and BUSHWHACKER is right behind him on his baboon.

GHOSTRIDER

Hey Guys! Thank you for -

While GHOSTRIDER isn't looking, the huge bulls knocks into him and knocks him down!

GHOSTRIDER

Comsi! I got hit in the ribs!

TRAILBLAZER

We shall avenge you!

TRAILBLAZER, DUSTY, and BUSHWHACKER all go straight for the bulls at top speed.

TRAILBLAZER knocks the bull over on it's side with his rocket-powered wheelchair.

BUSHWHACKER heads over to the bull and his baboon starts biting the bull.

Finally, DUSTY steps up and whips out his missile-launching shofar.

DUSTY

Step aside, fellas.

TRAILBLAZER and BUSHWHACKER move out of the way.

DUSTY pulls the trigger of his shofar and blows the bull up.

DUSTY

Yeeehaaaawww!!!

BUSHWHACKER  
Nice work, Dusty! I don't think  
he's coming back.

DUSTY  
Anybody in the mood for buffalo  
wings?

BUSHWHACKER  
I am.

TRAILBLAZER  
Me too.

DUSTY  
Cool. Let's grab GHOSTRIDER and go  
out and party!

They all head over to GHOSTRIDER.

TRAILBLAZER  
Ghost rider, are you OK?

GHOSTRIDER  
Of course I'm OK. I'm wearing my  
bull-proof vest.

They all laugh.

GHOSTRIDER  
Let's go party!

BUSHWHACKER  
We're going to get buffalo wings!

GHOSTRIDER  
I want nachos.

TRAILBLAZER  
I want a Mountain Dew.

DUSTY  
Well we're going back to the casino  
where we can cash our chips and get  
anything we want.

TRAILBLAZER  
Cool.

BUSHWHACKER  
Awesome.

GHOSTRIDER

Righteous.

The 4 cowboys go back to the casino to celebrate their victory.
